SELECTION OF EXAMINERS

National bodies should nominate examiners.

Experience in teaching and examining

Private practitioners should be considered.

Multilingual examiners

Subspeciality balanced

GROUP III

DO WE NEED AN ORAL EXAM?

Expensive

Problem with language

Can we judge the daily medical practice with an oral exam?

BUT we need to establish high quality standards for the EBORL

Improve MCQE with internet; films, cases slides.

Supervision of exams by UEMS examiners in their own countries

GROUP III

TRAINING OF EXAMINERS

National issue

Cours to train the trainers

Observing exams for 1 year.

Web/video training

Should met one day prior to exam

Vistit English, Irish, USA exams

GROUP III

HOW OFTEN SHOULD THE
EXAM TAKE PLACE?

Once a year

Depending upon the numbers

GROUP III

WHERE SHOULD THE EXAM TAKE PLACE?

In relation with European
Academy meeting, EUFOS
meeting, and other European
speciality meeting
